Game Description

Our Game is first person shooter. Target is to kill opponents who are trying to kill our hero. Hero can pickup health packs to restore his health. Score is increased each time hero shots an opponent.

Technical Specifications

MD2 Model Loading

- 1- Shotgun
- 2- Opponents
- 3- Bonus packs

Sounds used

- 1- Background music
- 2- Shotgun reloading
- 3- Shooting a bullet

Skybox

Skybox is used as an environment for the game that simulates the background world.

Bill boarding

Game uses bill boarding technique so that the opponents always rotate to face the hero.

Bonus Packs

The opponents leave a health packs randomly when they die and the hero can grab to increase his healthy status.

Jump

The hero can jump to bypass different obstacles.

Fog

Game uses fog technique in order to harden the game level so that far opponents would look foggy.
